Be part of HUB 2010

This is the only UK event for this sector, and the best source of new business contacts and orders for the boardsports business. Take as large or as small a stand as you need, just tell us what you want and we'll find you some good options.

Keep it simple! Marquees **A - D** are on the amphitheatre, there is no additional flooring on the paving. Marquees **G, E** and **F** are on the waterfront square, these have wooden floors. Any power or lights you need can be ordered from HUB contractors who can also supply garment rails and furniture, or you can bring your own.

Shell scheme stands are supplied with walls (white painted traditional wood) and lights.
